Professional Experience and Curriculum Vitae
AWARD-WINNING CREATIVE PROFESSIONAL
I am an award-winning designer who specializes in brand strategy and marketing solutions as well as web content and services. I have experience on both the customer and the supplier sides of a wide variety of businesses, products and industries which provides me with a wide range of management and creative experiences in Consumer Packaged Goods (CPG), specialty foods, healthcare products and services, and industrial equipment technologies and manufacturing. Strengths include the ideation and management of marketing and design communications, branding, brand identity, and package design.
