Professional Experience and Curriculum Vitae

If you want a 1920s costume in Australia that shows off too much skin then you should pair your costume with T-strap shoes. The straps in the 1920s were thick and they had minimal decoration. The straps became thinner as the decade progressed. They were covered in metal sequins or precious stones. Read more: <https://www.costumes-au.com/1920s-flapper-costumes/>
