SIEM REAP PHOTOGRAPHY TOUR
This 3 or 4-day private photography tour aims to bring you the best photographic experience you can get in Siem Reap. The area we will cover has much to offer with the unique temples of the archeological park, Tonle Sap lake, the lush countryside, colorful monasteries, and of course its friendly people. This program will assure you to practice photography in very different environments and have at the end of this trip memorable pictures of your stay in Cambodia. As this tour is limited to 2 or 3 people, it guarantees
