Summary

I was raised in England, graduating from the London Royal College of Art with an Advanced Level of Fine Art and Design. After working in Design and Visual Effects in London and Toronto, I now reside in Los Angeles.
I have firmly established myself in the areas of: Art Direction, Design and Live Action Direction for Commercials, Promotional Campaigns, Feature Film Main Titles and On-Air Network Packages.
My work platform is Mac and I am an expert in the use of Adobe Photoshop and After Effects. For editing I use Final Cut Pro.
Also, as a citizen of the EU, I am eager to expand my horizons towards work in all fields and to join new teams of people expert in their chosen fields.
