OBJECTIVES

A responsible position, utilizing skills in graphic design, corporate identity, packaging, print, signage and art direction.

WORK EXPERIENCE

From October 2003
M&R Comunicazione, Genoa - Italy. A seven-person design firm that provides design and consultation service to the business and cultural community.
Graphic Designer. Responsible for the initial concept development, design, and execution of Book Design, Advertising, Packaging and Identity Systems. I meet with clients (national and international) on a regular basis and my job is to transform their requirements into practical design solutions.

March 2003
Photographer, for the happening “Donna on Stage” (Mercedes promotion).

Summer 2002
Firma - Agenzia di servizi per la Comunicazione, Genoa - Italy. A twenty-person design firm that provides design and consultation service to the business and cultural community.
Assistant Graphic Designer. Developed projects about non-profit and cultural companies.
