## Professional Experience and Curriculum Vitae

Alex Williamson was born in England in 1973 and now lives and works as a Graphic Artist / Illustrator in London. He has a BA Graphic Design (Printmaking) from Leeds Metropolitan University and an MA in Communication Design from the RCA. Alex creates original artwork using cut-out, collage and print techniques, combining found ephemera, drawing and photography. His work is concerned with experimental graphic process, fiction and narrative.

Alex works on a wide range of commercial commissions and projects in the publishing, corporate, editorial and advertising sectors as well as producing and exhibiting personal experimental work. He also lectures in Design for Interaction and Moving Image on the Graphic Design BA at the London College of Communication.
