Professional Experience and Curriculum Vitae
Susan Avery was founded in the year 1979. They have been a part of the success story of more than four thousand weddings and three hundred thousand arrangements.
Susan Avery has been featured in the magazines like the Bride to Be, Cosmopolitan and Vogue. Incidentally Vogue pronounced her to as the woman who changed the face of floristry in all of Australia.
Susan Avery has come up with a website that lists all the flowers that they stock. The flowers can be ordered online or on the phone. Then the flowers can be either picked up at set points or they can be delivered to the door step of the customers. Susan Avery is a wedding planner as well.
