Professional Experience and Curriculum Vitae
A camera has been a permanent fixture in my hand since a young age, and after a decade sitting behind a desk, I left the world of hi-tech consulting to explore photography on a professional level. Years later, I am still in love with my job!

My aim is to make subjects feel at ease in front of the lens with a laid back, friendly and unobtrusive approach.

Awards and Accolades

Co-Founder, President

Kids 4 Change (a 501(c)3)

January 2008 – Present (4 years 5 months)

K4? directly involves children in charitable acts and money lending projects around the world to demonstrate that individual contributions, no matter how seemingly small, can improve the quality of life of others. K4? is comprised primarily of children as young as five, who work together to create and manage a fund which supports a variety of charities and micro-lending projects of their choice.
