Professional Experience and Curriculum Vitae
Linked Ring Photography is Daniel Kennedy and Nicole Truax. At the end of the day, we define ourselves as artists. We will go above and beyond to breathe life into your project. From beginning to finish, we'll collaborate together, decide the proper medium, the right concept, and the best strategy to create something unique together. Whether it's slick digital photography for your marketing, art for a personal collection, or some badass conceptual product photos; We're excited to hear from you
