Professional Experience and Curriculum Vitae

I'd like to invite you to check out my on-line portfolio: www.agvisual.com. AGVisual is my graphic design and illustration studio based in Argentina and focused on corporate ID, web design, graphics and illustration. We are currently working with projects from many countries. I also work as a professor of graphic design at Buenos Aires University. My experience includes illustration, print, 3d, motion graphics and multimedia. I have managed projects from concept to production.
