Professional Experience and Curriculum Vitae
Mark Meyer is an award-winning photographer based in Anchorage, Alaska. He shoots frequent assignments for national media including The New York Times, The Wall Street Journal, Reuters, Boston Globe, Der Spiegel, Sunset Magazine, Barron's, The Washington Post Magazine as well as large, logistically-challenging projects for corporate and government clients such The National Forest Service, the U.S. Department of Agriculture, and Greenpeace. He brings extensive experience shooting assignments requiring travel and complex logistical challenges.

Mark's work has been featured in Communication Arts, PDN, Feature Shoot, The Week, and Popular Photography magazine. He is a professional member of ASMP and President of the Alaska chapter.
