Professional Experience and Curriculum Vitae
Matthias Tunger Photography

Working since 10 Years fort he advertising industry and editorial clients Matthias comes up with much expirience that is useful for all kind of photo productions.
Shooting in Germany as well as abroad he is able to appraise the efforts needed in terms of time, costs and authenticity to make a production successful. The grown Network of artists, production helpers and models(agencies as well as his own contacts) gives him a wide range of tools to use for the needs of his clients. Using this knowledge Matthias Tunger is often asked for advice at the stage of the preproduction ort he creative process, which helps many clients to work within a given budget.
Matthias is always interested to keep things that are needed for a photo shoot as simple as possible in order to concentrate on the images.
Just try, he´ll make you smile as well!
