Professional Experience and Curriculum Vitae

Agent8 Design works closely with clients to create, develop and rejuvenate brands. We're known for using original design and innovation to provide unique, individual communication solutions.

We do this by listening closely to our clients. This allows us to uncover your identity values and focus them into a core brand message to communicate to your internal and external target audiences.

We are passionate about collaborating with clients to create great brand experiences and inspirational design. We produce work for clients both big and small, locally and internationally

Previous Clientele

NHS / Warner Brothers / Pearson Learning / The Queen's Nursing Institute / TomTom / UCA / Lucas Film / University of Portsmouth / Garmin

Awards and Accolades

Nick has worked in the design industry for ten years developing brands across both digital and printed media. Graduating with a First Class Honours degree in 2002, Nick setup Agent8 Design after receiving recognition from the design industry.

Alongside studio work Nick teaches at the University College of Creative Arts (UCA) on the Graphic Communication BA honours degree, Digital and Publishing MA pathways.

Awards and Accolades

Membership of the British Design & Art Direction (D&AD), a first prize in the international Young Creative Network brief, and short-listing for the E4 E-Sting competition.
