Professional Experience and Curriculum Vitae
A senior-level creative for both global softlines and hardlines production. A mentor and guardian of the film, design and animation realm for our line of films. Not only graphically effective within production, but ready to work some out-of-this-world magic. My personal love for guiding moving pixels across space with grace is my foremost love of my passion for my graphic language.

Previous Clientele
My experience has provided me to work with clients such as
• Disney
• Warner Bros.,
• Paramount Pictures
• Dreamworks
• Universal Studios
• Illumination
• 20th Century Fox
and various independent studios.
