Professional Experience and Curriculum Vitae
Mark Watts, a talented artist who has worked for the past 28 years creating great works of art for clients such as Walt Disney, Budweiser, Warner Brothers Pictures, Paramount Pictures, Sony, Tyco Toys, Mattel Toys, Hasbro Toys, Kenner Toys, M&M Mars, Crayola, William Morrow Publishing, Avon Books to name a few and was a featured artist on the QVC Home Shopping television channel. Mark has produced many Illustrations for popular toys such as the Hasbro Transformers kids toys, he Illustrated the box art for over 20 boxes. He also Illustrated the Tyco Toys Crash Dummies boxes. He created the logo Illustration for the Clint Eastwood movie Pick Cadillac. Mark has also Illustrated many well known book covers - some of the most recognizable were made into movies, The Odessa File, Day of the Jackel, The Dogs of War. He has worked on many paintings for Budweiser that were produced on their Limited Edition Collector Steins. He has had his work displayed in many shows around the country. His work has also been displayed at the prestigious Society Of Illustrators Club In New York City.

Mark's sharp reflective style captures the essence of reflective surfaces such as cars. Some of his favorite subjects to paint are old cars and nostalgic scenes of days gone by. All his paintings have a sense of humanity about them. Mark attended School Of Visual Arts in New York City and Temple University Tyler Campus Philadelphia. Mark Watts works out of two studios, one in the rolling hills of Bucks County Pennsylvania and the other in Sunny South Florida.

Mark Watts Studios is offering singed limited edition giclee prints of some of his greatest works of art featuring scenes from the 1950s. Scenes of Roadside America, Classic Cars, Diners and Neon Signs from days gone by.

Please note all Giclee prints are produced on Hi Quality Heavy Grade Canvas, printed with UltraChrome K3 Inks Light Fast over 100 years. We produce amazing prints. All Giclee Prints are produced under close supervision and signed by the Artist Mark Watts. www.markwattsstudios.com Gallery Art Site - www.classiccreationsc.com Commercial Art Site
