## **Professional Experience and Curriculum Vitae**

Are you eager to see how your baby looks like inside the womb? Wants to know its gender before its birth? If yes, Amazing Scan is the ultimate destination for you. Amazing Scan is the first and the only provider of 5D ultrasound scan in Melbourne. We provide our services in three different locations including Prahran, Berwick and Burnside. All our gender scans taken from 13 weeks are 99% accurate. 3D, 4D and 5D ultrasound scans are performed by highly experienced and professional sonographer who helps you with recognizing the gender of the baby easily. Our experts spend considerable scanning time to produce accurate reports. Our ultrasound scan center is equipped with high tech and state of the art machineries to produce quality and accurate scan reports. In order to facilitate our customers, Amazing Scan offers its valuable services 7 days a week with long operation hours. Enjoy timely Service and complete satisfaction only at Amazing Scan.
