Professional Experience and Curriculum Vitae

I'm a creative fuelled by passion.

Pleasure is experimenting with various mediums and printing techniques, while relentlessly seeking original and aesthetically-pleasing visuals.

And brainstorming sessions send adrenaline coursing through my veins.

My fortes include conceptualising, typography, graphics and art direction.

My dedication is apparent in my need to constantly better myself, by being receptive to all perspectives and design disciplines.

I embrace new challenges with enthusiasm and an open-mind. After all, as Nietzsche said, "That which does not kill us, makes us stronger."
