Professional Experience and Curriculum Vitae

I am a passionately creative graphic designer with 12 years of industry experience working for leading agencies. I am extremely hardworking and my attention to detail knows no bounds!

My work is tailored to the brief: from the beautifully simplistic to the all singing, all dancing. However, the message is always delivered concisely and on target.

I am currently looking for freelance opportunities so please get in touch.

Previous Clientele

Within agencies I've worked with clients such as Shire Pharmaceuticals, Almirall, Sandoz, Archimedes Pharma, Galen, Hospira, Department of Health, Nuffield Health, Ty Hafan, Clic Sargent, Triodos Bank, Lloyds TSB, Dickinson and Morris and many more.

As a freelancer I've mainly worked with local companies such as Chin! Chin! Bar and Kitchen, Cafe Culture, Gilly Woo, Butlers in the Buff, Quarter Furniture and Accessories, Browns Hotel, City Travel, The Wedding Planner School and more.
