Professional Experience and Curriculum Vitae

I am currently a Professor of Graphic Design. I have been working and teaching in the Graphics Arts industry for more than 30 years. My experience includes both on-site and online training for community colleges and private institutions, as well as program and curriculum development. I have served on the Academic Council at my college.

I teach classes in prepress, advertising, packaging, portfolio studies and typography. I have been teaching at my college for fifteen years and feel lucky to be part of a growing environment.

Previous Clientele

Ontario Dental Association, Electrical Contractor's Association of Ontario, Scarborough Board of Education, Canadian National Sportsmen's Shows, SouthEx and Ontario New Home Warranty Program.
