Professional Experience and Curriculum Vitae

Andrew Prokos is a New York City architectural and fine art photographer. His photographs incorporate architectural elements and sweeping natural and urban views. Andrew's large-format cityscapes and skylines of New York and other locations are often presented as high-definition panoramas. Andrew's long-exposure and night photographs are renowned for their clarity and intricate detail.

Andrew's photography has been widely published in magazines and newspapers, and has been awarded at the Prix de la Photographie, Paris (Px3), the International Photography Awards (Lucies), the Epson International Pano Awards and others. His work has been exhibited at the Museum of the City of New York and in galleries and corporate fine art collections in the USA and Europe.
