Professional Experience and Curriculum Vitae

Andy Smith graduated from the Royal College of Art, London in 1998. His work embraces modern technology and combines it with a knowledge of print techniques and drawing. His bold art prints incorporate hand drawn typography, photography, brushwork, spraypainted textures, computer generated and figurative drawing and have led him to contribute to many defining editorial and commercial commissions. Andys work is about characters, humour and events. Immediate visuals are combined with strong typography and copywriting skills. His work has been animated by Passion Pictures and Tandem, and he has animated and directed a commercial for Nike. He has also won D&AD, AOI and Creative Circle awards. A range of hand silkscreen self published books are available from this website.
