## Professional Experience and Curriculum Vitae

Antonin Ferla has over 10 years experience as graphic designer with various agencies in Italy and switzerland - his ome country. Antonin was also teacher and co-director of emaf, the school of multimedia and art in Fribourg ([www.emaf.ch](http://www.emaf.ch))  
Antonin's varied experience and talent for highly visual graphic and animated media, on top of his search to always find new and unique ways to communicate, has won him many awards.
