Professional Experience and Curriculum Vitae

I am a Motion graphics Designer.

Previous Clientele

Please kindly get in touch for more information.

Awards and Accolades

OBJECTIVE:

A place in a reputed organization which allows me to render my creative aspirations into productive stuff, letting me take my creative step under supervised guidance and allowing me to use my creative knowledge gained during my training and work experiences to fulfill my passion, Motion Graphics.

CREATIVE STRENGTH:

I have tried to learn and execute every part of After Fx in my motion graphic works, and tried to surpass its limitations using creative techniques, 3rd party plug-ins & scripting and literally found it boundless. Also researched about various plug-ins and their utility and still going on with it.

TECHNICAL QUALIFICATION:

AD3D+ [Diploma in 3D Animation and Visual Effects] / Maya Academy of advanced Cinematics, Andheri, Mumbai / 2009

EDUCATIONAL QUALIFICATION:

- Pursuing Graduation in Arts / 2nd year / 2010
- Intermediate in Arts / P.P.N college, Kanpur / 2009

WORK EXPERIENCE:

- Worked in post-production in various documentaries.
- Worked in In-house presentations for companies such as ICICI Prudential, T.C.S., Mirri Ad (Embedded Advertisements)
- Conducted 2 Week workshop on 'Use of After FX in Motion Graphics'.
- Made Intros and end-titles in various documentaries.

SKILLS:

- Motion Graphics Design
- Compositing
- Titling & Typography

SOFTWARES SPECIALISED IN:

- Adobe After Effects
- Adobe Photoshop

TRIED HAND IN:

- Autodesk Combustion
- Fusion
- Foundry Nuke
