Professional Experience and Curriculum Vitae
My name is James and I love what I do.
I was born in the UK and moved to Vancouver in 1981 where I work as a graphic designer, artist, and illustrator. The core of all my work is communicating ideas. Whether it's a fundraising campaign or piece of branded content, my goal is to bring clarity to each idea through thoughtful communication and purposeful design.

Previous Clientele
Please kindly get in touch for more information.
