Awards and Accolades

"Astrid was great to work with on the illustration on the idea of Creative Inspiration on the cover of the (Graphic Artists) Guild News Spring 2011 illustration issue. She went the extra mile in concept and execution, donating her time and talents and providing several delightful versions to choose from, on time and as promised. Everyone loves the cover art. We are so lucky to have such a talented artist among our members." Sara L. Chapman, Art Director, Guild News, May 10 2011
