Professional Experience and Curriculum Vitae

Allison Dinner is a commercial food and product photographer working worldwide. Allison, a graduate of Rochester Institute of Technology has won various awards for her outstanding photography. These include ASMP photographer of the year. She specializes in shooting various degrees of still-life photography. They range from food to table top setups. She also shoots the reportage of the kitchen and/or restaurant. Clients include Food Arts, Food and Wine magazine, Niche Media, Ritz Carlton Hotels, The Washington Post, Delta Sky, This Old House, and many others.

Allison's modern style mixed with her great eye for design help to create unique and exciting imagery. Her efficiency, as well as her strong desire to make exceptional images, is what keeps her clients coming back.
