## Professional Experience and Curriculum Vitae

I have 25 years experience as a self taught Motorsport/Stadium and Portraiture Artist and Illustrator, I have gained extensive knowledge of all aspects of fine art Illustration, my Motorsport images are carefully planned and finished to a very high standard I try wherever possible to capture the feeling of action speed and excitement along with a fantastic attention to detail, this is continued with the Stadium Illustrations for maximum visual impact I concentrate on faithfully reproducing in very fine detail all of the characteristics that go into making these Colloseums of Sport.
