## Professional Experience and Curriculum Vitae

I am a graphic/multimedia designer with more than 8 years of experience. I graduated the Fine Arts Faculty from Timisoara and currently I'm working as art director at X3 Studios ([www.x3studios.com](http://www.x3studios.com)). I always try to experiment and to work on every field of visual communication: illustration, mattepainting, vfx, graphic design, multimedia design and combining the traditional techniques with digital ones.
