Billy Almond

Artist/Illustrator/Designer

www.billyalmondart.co.uk

I'm an artist from the North West of England.

I've studied Art and Design and since graduating from University I've produced a wide variety of work.

As my own unique style of painting has developed i have explored various eye-catching topics. Employing gouache on water colour paper or acrylic on canvas I depict scenes of life in my own trademark style.

Thanks for taking the time to read this and I hope you enjoy my work.
