Professional Experience and Curriculum Vitae

An experienced designer based in the Greater Toronto Area, specializing in: logo design, graphic design, website design and development to help reshape, redefine, and revive your designs.

Over the past decade, I've collaborated with design studios, marketing agencies, printing and packaging companies all of which gave me the opportunity to blend my passion for art, animation and technology into fabricating designs with an aesthetic feel, that are eye-catching and dramatic.

Previous Clientele

RCMP - Integrated National Security Enforcement Team
Fleming College

Awards and Accolades

OBJECTIVE:

Dedicated graphic designer and pre-press operator seeking to obtain full-time employment in a focused, creative environment.

SUMMARY:

With 10 years of diverse hands-on experience, I have been involved in a range of projects through all stages, from idea conception to final output. My expertise lies in graphic design, project management, client communications, and pre-press workflow. I am adaptable, organized, and detail-oriented, with a curiosity for new technology and evolving trends.
