## Professional Experience and Curriculum Vitae

Hello, my name is Bradley Barger. I am a graphic designer living in North Carolina. I am an expert in Photoshop, Illustrator, and InDesign. I am always looking for the opportunity to show off my skills and I am very passionate about graphic design and art. My objective is to provide my clients with creative and fresh ideas that will make their product unique. I work well under pressure and can meet tight deadlines. Thank you for taking the time to look at my portfolio.
