Professional Experience and Curriculum Vitae

I am a creative & marketing consultant, with a passion for equipping people to succeed.

I help brands and individuals of all varieties and sizes to navigate the waters of today's digital marketing landscape.

In the past 8 years, I have worked with numerous companies, organizations, and individuals representing a broad variety of industries and sectors. I have helped these clients to achieve their business goals by intelligently developing their marketing efforts to align with their objectives.

Previous Clientele

In the past 8 years, I have worked with numerous brands, organizations, and individuals representing a broad variety of industries and sectors. I have worked with startups and giants in the ecommerce industry, doctors, entrepreneurs, internationally successful musicians, national non-profit organizations, restaurants, and more.

STAND UP STRAIGHT YOUR HUMANITY IS AT STAKE

DON'T LET YOUR PHONE ***DRAG YOU BACK IN TIME***

Avoid "text-neck" by standing up straight and holding your phone in front of your face.

Visit treat.my/text-neck for other easy ways to improve your posture.
