Professional Experience and Curriculum Vitae

My name is Megan Brohawn and I'm a graphic designer from the Baltimore, Maryland area. I have a modern perspective and fresh approach to design.

I am always looking to create something new, and I draw from various sources of inspiration ranging from vintage letterpress typography to avant-garde poster design. I have an appreciation for thoughtful design, and strive to bring my passion and energy into each project I work on. I developed an early passion for design and typography, and attended the University of Maryland, Baltimore County where I obtained a BA in Fine Art with a Graphic Design concentration.
