Professional Experience and Curriculum Vitae

Cacao Design, founded in January 2004 by Masa Magnoni, Alessandro Floridia and Mauro Pastore, specializes in branding, web design and below-the-line. Its founders' 20 years of experience and their desire for continuous new challenges give Cacao Design the ability to relate to companies of all sizes, operating in any sector, the only common denominators being excellence and attention to detail. Cacao Design projects have won numerous awards and been published in annuals and publications of national and international renown.
