Awards and Accolades

candaceshepard@msn.com

painting, drawing, printmaking...photography, poetry, collage

the world is indefinable unknowable strange funny horrifying beautiful

exploring through visual creation, I make things by hand in direct contact with material

I engage in active meditation as I work with organic, sinuous, rhythmic, flowing imagery creating visual poetry from the collect images, thinking around and through an initial concept on many levels of consciousness in free association

born in Connecticut 1951:
