Professional Experience and Curriculum Vitae

Welcome, welcome to my portfolio page. I'm an illustrator hailing from Salem, Massachusetts, where I spend most of my time exploring words, images, and the magical places where they meet.

I use delicate patterns and robust colors as tools for visual storytelling. I specialize in illustrating for children's markets. If my work suits your project, drop me a line.

Previous Clientele

Boston Review
GLIMPSE Journal
Jones & Bartlett Learning
Gibbering Gnome Press
