## **Professional Experience and Curriculum Vitae**

I work as a managing assistant in Gottschalk's company based in San Diego. I read a book named "Mantra to Attract Boyfriend" in my college time, it is a very interesting book for me. I believe if want to you gain success in your life then self learn and trust yourself. My 13-year long experience in the field has given me the ability to face and solve problems that may occur during production.
