## Professional Experience and Curriculum Vitae

I am a graphic designer, illustrator and amateur photographer from Saskatchewan living in beautiful New Westminster BC. I have a strong love for music and art in all forms and an ever growing passion for digital photography.

I thrive in print design, including (but far from limited to) corporate branding, marketing, multi-page layout design, packaging and illustration.

And I'm always looking for a new challenge!

My services include:

- Logo design & corporate branding
- Book & multi-page layout design
- Promotional material design: booklets, flyers, brochures...
- Photography
- Album artwork
- Illustration
