Professional Experience and Curriculum Vitae

Alberto G. Puras. Photographer. Valladolid, 1974

His first involvement in photography was in Salamanca, where he studied as Specialist Technician in Image and Sound, while at the same time publishing his first documentary and journalistic material. From here, he moved to Barcelona where he studied and graduated in Photography from the Polytechnic University of Catalonia, combining his studies with his first photographic work in publicity and fashion. On completing his University studies, he started working as a professional photographer, specializing in fashion photography, publicity and communications.
