Professional Experience and Curriculum Vitae

Cold Fur, a rock band from Jersey City, NJ needs assistance in funding the recording of its first album. Band members include: Ralph Cuseglio - Singer, Dave Leto - Drums (Rye Coalition) and Jeff Mackey- Bass, Adam Valk-Guitar (The Want). Currently, the band is without a record label. Thus, the project will be funded by the band itself and contributors to the project.

Ideally, the band plans to record the album October 7th -11th, 2011 in Chicago, IL with recording engineer Steve Albini (Nirvana, Pixies). Any contributions made to the project will go to cover costs of recording and transportation to Chicago from NJ. The album will consist of 10-12 songs, and be approximately 45 minutes in length.

From BROOKLYN VEGAN review of The Bronx/Cold Fur show

"Cold Fur opened the show, announcing this was their fourth show as a band, also their first and possibly last boat show. Cold Fur played a fast, heavy set, which is what you'd expect from a band made up of dudes from Rye Coalition and the Want."
