Professional Experience and Curriculum Vitae

I'm a Dutch, Amsterdam-based illustrator.

I create visually clever, humorous and conceptual illustrations for national and international clients.

Conceptual illustration, with graphic simplicity and a stroke of wit. Unlimited scope: from serious business to serious fun, encompassing everything from children's projects to editorial and corporate commissions. My techniques range from traditional drawing to totally digital, and nearly everything in between.

For assignments outside Europe please contact my US representative:

Sharon Kurlansky / Laughing Stock.
