Professional Experience and Curriculum Vitae

Creative Colz is a creative spark full of energy and inspiration. She received her AA in Visual Communication, BFA in Digital Design, and also her MBA in Marketing. Creative Colz was born and raised in Ohio, but also grew up in Florida. She currently resides with her loving family: husband, two sons, and two furry kids.

Creative Colz has always been creative and has explored many fields such as poetry, creative writing, drawing, and photography. What resulted from this exploration is graphic design. She can create marketing material for businesses such as logos, business cards, flyers, posters, magnets, and so on. Creative Colz also dabbles in other creations. If there is something you're interested in, just ask! Anything is possible.
