Professional Experience and Curriculum Vitae

Cub Animation Studio specializes in 2D character animation. Working with clients in industries ranging from sports, tech, comedy, TV, Tech and financial Institutions. Our animated story telling ability adapts to clients and audience needs.

Previous Clientele

The NFL, ESPN, Fox Sport, UEFA, IIHF, Facebook, Twitter, WhatsApp, Ford, Strava, Dropbox, VMware, Bose, The IOC, NCAA, England Rugby, Mercedes, Greenpeace, Mentos, Bazaarvoice, Expedia

Awards and Accolades

Cub Animation Studio works across a wide range of software and platforms throughout the team, though our core skill set lies within Adobe After Effects.

Within the team we direct, script write, illustrate, produce, animate and have sound engineers to create animated content from initial concept to the final polished video.

Awards and Accolades

BAFTA
New York Press Award
Bass Awards (multiple)
