Professional Experience and Curriculum Vitae

I am a Creative Resourcer for Orchard, the leading Digital, Creative and Marketing recruitment company in the North.

I'm based in the Leeds office, and am always on the lookout for creative talent, job opportunities and events to meet new people.

I am always looking for professionals with the following skills: Graphic Design, Art Direction, Studio Management, Artworking, Web Design, Web Development and UX Development.

Please feel free to contact me with your CV, invite me to your event or just for a chat!
