Professional Experience and Curriculum Vitae

David C. Makkers is a freelance photographer based in McDonough Georgia. His passion for photography, passed down by his father, goes from behind the camera to printing the final image. David approaches his photography with creativity and attention to detail. He enjoys shooting portraits, events, sports, and creative images. He uses Canon professional cameras, lenses and fine art printers. Contact David at dcmakk@mackersmedia.com to discuss your photography project. Thank you for visiting www.mackersmedia.com.
