Professional Experience and Curriculum Vitae

esign has no name is an independent visual communication Studio, established in Buenos Aires, Argentina, since 2007. Our main aim is to provide each project with the best of our creative potential.

Built around a shared belief that great design can make good ideas into extraordinary ones. We are a multidisciplinary Studio that develops efficient communication systems Based on a strategic and efficient investigation and research.

DHNN is a Project of Lucas Davison and Juan Crescimone, based on the idea of generating and searching new alternatives in the visual communication area.

Previous Clientele

Fox International Channels, MTV, VH1, Sony Music, Luis Puenzo, Historias Cinematográficas, 3DN, Oony, Lacoste, Nike, Dante Spinetta
