Professional Experience and Curriculum Vitae

Donovan Creative Communications is an award-winning full-service brand, marketing and communications agency offering integrated services in market research, brand development, brand management, public and media relations, government and industry relations, marketing and advertising. We've developed and worked for well-known international, national and regional brands on all aspects of their marketing and communications. No matter if it's a brand, a marketing strategy, an ad campaign, a website, a new partnership, promotion of a product or community investment, or the design of the simplest handbill, our approach is the same. Know the client. Know their product or challenge. Know what they've done and where they're going. Know their customers. Do the best work possible. And great results will come.
