Professional Experience and Curriculum Vitae

Elsy Aumann, a passionate Creative Director and owner of Graphic Vision Design & Photo Studio, is an innovative, photographer and graphic artist, with 20+ years of experience, who brings her artistic abilities to all she does, behind the computer as well as the camera. She will take your project from conception to completion all under one roof and she is directly involved in the development of the graphic design, advertising, and the printing of all the marketing pieces they create and produce.
