Professional Experience and Curriculum Vitae

After pursuing a successful career as a design consultant in New York and a concept artist in Hollywood where he worked with some of the industries top directors, Edward Eyth decided to pursue his lifelong aspiration to create figurative art full time in 2004. Recognition for his sculptural works has been immediate and extensive, including international exhibitions in Rome, Barcelona, Moscow, Seoul, Hong Kong, Geneva and cities across China. Eyth is the only living artist with works selected for inclusion in the Pageant of the Masters program at the Laguna Beach Festival of Arts for 2008. His work is featured in select private collections in the United States, Europe, Australia and China.
