Professional Experience and Curriculum Vitae

emptyconcept is established by Marvin in 2004. It is now reforming into a photo gallery by Marvin.

Marvin is the founder of emptyconcept and EarlyBird. He has been working in the field of internet business, visual design, animation and photography.

He is now focusing on visual design, photography and interface design of interactive media. When he was a university student, he participated as an artist in the "First Beijing International New Media Arts Exhibition and Symposium". He also participated as a contributing photographer in the "Body Movies" organized by a well-known artist Rafael Lozano-Hemmer. Moreover, He has been an event photographer as well as an illustrator in the past few years. One of his illustrations was exhibited in Copenhagen, Denmark in 2008.

Besides, he was involved in a number of notable projects, such as Shanghai EXPO, Innovation EXPO, ITU, Sony, Canon EXPO, THINK SILLY and Joyce 40th Anniversary Exhibition, in which he was responsible for visual design, animation and interactive support.
